

NYS DEC Endorsed: 4 Hour Contractors Training in Erosion and Sediment Control

November 14, 2018, 9:00am to 1:00pm

The NYS Department of Environmental Conservation (DEC) has partnered with County Soil and Water Conservation Districts across the State to deliver a 4 hour training course covering the principals and practices of erosion and sediment control (E&SC) on construction sites. The DEC requires that all developers, contractors, and subcontractors identify at least one trained individual from their company that is responsible for SWPPP implementation and is on site daily when there is soil disturbance activity. This course fulfills this DEC training requirement.

LOCATION: Ulster County Community College (SUNY Ulster)
College Lounge – John Vanderlyn Hall
Stone Ridge, NY 12484

COST: \$50 per person
Light refreshments are included

Training will be conducted by: Jake Wedemeyer, Ulster County SWCD

Registration begins at 8:15am; Photo ID is required to register.

THE COURSE WILL BEGIN AT 9:00 AM SHARP.

PRE-PAYMENT AND PRE-REGISTRATION ARE REQUIRED and must be received by NOVEMBER 2nd at 4:00pm. Please make checks payable to

ULSTER COUNTY SOIL & WATER CONSERVATION DISTRICT. All applications are to be mailed to the *Ulster County Soil and Water Conservation District, 5 Park Lane, Highland, N.Y. 12528*

Pre-Registration Information: Please contact the Ulster County Soil and Water Conservation District at (845) 883-7162, ext. 6085. Applications may be obtained online at www.ucsacd.org. Space is limited, first come, first serve. **There are no transfers in registration and attendance.**

Upon completion of the course, each participant will receive a NYS DEC Storm Water Training Number on a wallet card valid for 3 years.
